

The health and safety of our players, parents and coaches is always our number one priority and now, in the current climate, more important than ever.

As we begin our winter coaching programmes delivery within Covid-19 guidelines, we want to make everybody aware of the measures we have put in place.

The below have been put together with guidance also taken from ECB, DCMS, Suffolk Cricket staff and venue providers.

These are:

- Should you or anybody in your household be displaying COVID-19 symptoms you should NOT attend.
- Coach:Participant ratios (1:1 or 1:2 for Individual Sessions, 1:5 or lower for Group sessions)
- Designated routes around each venue to minimise groups crossing.
- COVID-19 specific Risk Assessments for all venues used.
- Minimise use of sharing equipment
- Cleaning of equipment between sessions
- Cleaning of 'touch points' between sessions
- All coaches will have access to PPE equipment, if required.
- First-aid/emergency-aid will only be administered by Coaches wearing PPE.
- We politely ask that Parents/guardians/family members not to stay and watch sessions. There will be a sign in / sign out procedure in place.
- All our sessions will be fully compliant with the latest government and ECB guidelines. (These guidelines may change in accordance with any new guidance at any time)
- Hand sanitiser will be available at every session.

To help us we ask you to:

- Drinks: Please ensure participants bring their own water bottle, which can either be thoroughly washed after use or disposed of. These bottles should have your child's name clearly visible.

- Kit: Ensure participants arrive ready to train. All equipment kept in bags and not shared with anybody else.
- Medication: If required, ensure participant has any medication prior to the session if needed. Ensure medication or inhalers are in sealed bags.
- Hand sanitiser: We kindly request all participant bring their own small bottle of anti-bacterial gel to use regularly in the breaks provided.

To aid the transition at the beginning and end of a session:

- Your child will be met by a member of the coaching team at the designated signing in area.
- Your child will be directed to an area to put their kit

When picking up

- Parents/guardians must wait in the designated area for each venue and your child will come to you.
